

## CONFIRMATION GUIDELINES

The Sacrament of Confirmation is celebrated in the eleventh grade throughout the Archdiocese of New Orleans. Students in public or Non-Catholic private schools are required to attend CCD religious education classes in the ninth and tenth grade in order to be eligible to enter the eleventh grade and receive the Sacrament of Confirmation.

Students enrolled in a Catholic High School must register with the CCD program when entering the eleventh grade for the Confirmation preparation classes. Students in Catholic High Schools are *not* required to attend CCD religious education classes, only the Confirmation preparation classes.

Students in both CCD and Catholic High Schools must attend the Confirmation preparation classes. Two sessions will be available, you may attend either one. There is a deadline to register, please visit our website at [www.vol.org](http://www.vol.org) for session and deadline dates.
